Object: REACH Regulation / SVHC - Candidate List updating

According to the last Candidate List updating dated 17 January 2022 (<https://echa.europa.eu/candidate-list-table>), we hereby declare that our products do not contain, as intentional ingredients, any SVHC in concentration > 0.1% (by weight).

Furthermore we confirm that:

- our products do not contain any substances subjected to the authorization in accordance with Annex XIV of REACH Regulation.
- the substances listed in Annex XVII are not used as intentional components in our formulation and any residual quantity present in our products is mentioned in section 15 of MSDS.

Present statement is based on the knowledge we have on raw materials and product manufacturing processes. No specific analyses are done in order to check possible contaminants in production batches.

Yours sincerely,

F.T.R. S.p.A.
